AWARDS

Golf Journal Travel Awards

Most Popular Golf Course in Germany

Both our Championship courses have won several awards, with course "Rot" having been awarded the highly coveted "Most Popular Golf Course in Germany" accolade ten times in a row up to 2010. From

2011 to 2013, this prize was awarded to course "St. Leon". Moreover, hole 9 of this course was chosen as one of the "Top 500 Holes in the World" by the "Golf Magazin" in 2000.

Golf & Nature

St. Leon-Rot Golf Club on course for gold

St. Leon-Rot Golf Club has not only made history in the context of sports. It has also joined the ranks of prestigious German clubs to which a gold medal for committing to the environmental programme "Golf and Nature" was awarded by the German Golf Association.

PGA Premium Golf School

The golf academy St. Leon-Rot has been a licensed PGA Premium Golf School since July 2012. The certification "PGA Premium Golf School" acknowledges superb golf coaching and optimized training conditions.

HIGH-PERFORMANCE SPORTS

St. Leon-Rot Golf Club is a leading European club, in amateur golf having won 183 cups in 15 years, including 25 national and 60 international trophies. We are deservedly proud of the success we have achieved in the past and confident about the future.

Host of European

Girls' Team Championship

EUROPEAN TOUR DESTINATION

St. Leon-Rot Golf Club has been a partner of "European Tour Properties" since spring 2012, becoming part of the exclusive network of leading golf courses throughout Europe as well as a "European Tour Destination" and

meeting the high standards set by The European Tour, the governing body of European professional golf. Our club benefits from the strong international network of this association in many ways: We have been drawing on the Tour's comprehensive know-how, especially in the field of green keeping. The network "European Tour Properties" unites premium golfing areas throughout the world.

LEADING GOLF COURSES OF GERMANY

St. Leon-Rot Golf Club is a member of the quality assurance community of the Leading Golf courses in Germany. The anonymous testers of the Leading Golf Courses examined our facilities as often as 18 times during

the previous year and assessed them by means of a questionnaire. CEO Eicko Schulz-Hanßen says: "The conclusions drawn by the course testers are very interesting for us as they provide us with valuable feedback on our strong and weak points."

TOP PARTNER OF GOLF CLUB ST. LEON-ROT

THE CLUB

Built on the basis of the vision of our founding president Dietmar Hopp, who wanted to create a unique golfing paradise, St. Leon-Rot Golf Club was officially opened in 1997 and has continuously set new golf benchmarks ever since. Over the last 15 years, it has developed to become an innovative and reliable sporting golf club which offers the highest standard of infrastructure conditions. From their first day at our club, our members and guests enjoy a memorable golf experience in a marvelous setting.

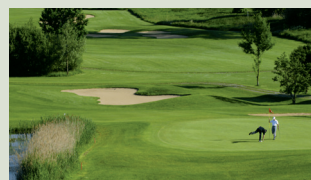

With two Championship courses, a 9-hole course, a 5-hole bambini course and ideal infrastructure, our facility has already attracted elite professional players including super star Tiger Woods who played at St. Leon-Rot on no fewer than three occasions in the Deutsche Bank – SAP Open on The European Tour International Schedule. The hosting of The Solheim Cup in 2015 will represent another milestone in the history of our Club.

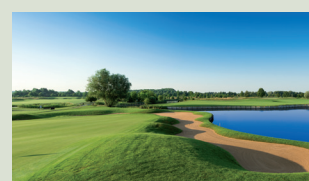

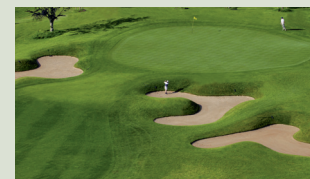

CHAMPIONSHIP COURSE "ROT"

The parkland course with a length of 6,587 metres (7,204 yards) offers a premium golfing experience by combining athletic and relaxing aspects with fantastic scenery. Hannes Schreiner, the architect of the course, succeeded in integrating the course "Rot" into the natural floodplains with their picturesque charm. Large parts of the original landscape have been preserved in the form of biotopes and do not only contribute to the visually appealing scenery but also to the special difficulties of this 18-hole course. So do not be surprised if a muster of storks is interested in your play and observes your teeing-off at hole 17.

CHAMPIONSHIP COURSE "ST. LEON"

The course "St. Leon" with a length of 6,541 metres (7,153 yards) was designed by the English architect Dave Thomas and is modelled on a links course; therefore much of its setting is reminiscent of Scottish or Irish golf courses. Its sandy soil, numerous surfaces of water, elaborately shaped bunkers as well as a sensational island fairway are the dominating elements of this course. Therefore, playing precise strokes is at least as important as moving the ball over long distances here. In spite of - or maybe even because of - these difficulties and numerous challenges, this course makes playing golf a memorable experience for every player.

THE 2015 SOLHEIM CUP

In 2015 St. Leon-Rot Golf Club will host the Solheim Cup, a major event which fascinates millions of fans all over the world. For the first time in the history of the competition, both tournaments - the Solheim Cup and the PING Junior Solheim Cup - will take place at the same venue. Our club prevailed over fierce international competitors from England and Spain and won the bid for hosting the continents competition in 2015. Therefore, we will bring a golf event of such a dimension to Germany for the first time.

The Solheim Cup was established in 1990 and, just like The Ryder Cup, it has taken place biennially ever since. In the most prestigious tournament of ladies' professional golf, the

best twelve female players from Europe and the USA compete against each other over three days. With match play, 16 foursomes and twelve single matches at the end of the tournament, this format allows for massive changes in the results on the final day.

The Solheim Cup will celebrate its 25th anniversary in 2015 and a total of 100,000 spectators are expected to visit St. Leon-Rot Golf Club over the two practice days and three days of intense competition.
